

# Telephony Services

## Standard Lines and Phone Systems for Business

You can benefit from simple telephony services with our Business Telephony options. From lines to Phone Systems, we can help you.

### Phone Lines

- ✔ Standard PSTN (Analogue) Lines or advanced ISDN Services for phone, fax or broadband use
- ✔ Call Features such as Caller ID available
- ✔ Guaranteed cheaper than BT Standard Rental
- ✔ Perfect for “start-up” uses
- ✔ Options for Enhanced Repair and Installation

### Phone Systems

- ✔ Simple Telephone Systems designed for Small Businesses
- ✔ Reconditioned and New Systems available
- ✔ Advanced Call Handling functionality
- ✔ Installation, Maintenance and Management available

### Maintenance

If you have an existing phone system and have run into a problem, or are looking to add, update or expand your system, we can help you.

Call us on 01392 950 950
